Financial Ecosystem  
Program  
2020

## Program Brief

As part of the Emirate's approach to diversify the economy and in line with the 2030 UAE economic vision, the Industrial Development Bureau developed the Financial Ecosystem Program to facilitate local companies with the required monetary support which will enhance the funding ecosystem. Receiving a wide variety of loan offers from Abu Dhabi's most prominent banks is now a few clicks away supported by our easy to fill application form and procedures.

## Objectives

### Create a competitive funding environment

By enabling investors to seek funding opportunities from various banks at once, this will generate further competition and lower interest rates

Our goal is to enhance the financial ecosystem in the Emirate of Abu Dhabi through our funding platform which will allow investors to seek the appropriate funding within a few clicks

### Increase funding accessibility

## 11 entities have partnered with DED in order to achieve the program's objectives

## Funding Journey

click on “Apply Now”  
and fill the  
application form with  
the required  
attachments

Applications that  
fulfill the  
requirements will  
be forwarded to the  
banks

Banks will assess  
the forwarded  
applications and  
respond with their  
offers

Applicants will choose  
and award their  
preferred offer  
subject to the bank’s  
approval and T&C
